

HOW TO DISPOSE YOUR FOOD WASTE

for Commercial Businesses

What is considered food waste?

- Meat, Poultry, and Bones
- Fish and Shellfish
- Eggs, Cheese, and Dairy
- Bread, Pasta, and Grains
- Legumes, Beans, and Nuts
- Vegetables and Fruits
- Food Scraps and Leftovers
- Coffee Grounds and Filters
- Paper Tea Bags
- Food soiled napkins (in small quantities)

What goes in the organics cart?

- Food Waste (in a clear, transparent, or compostable plastic bag)
- Yard Waste (No rocks or dirt)

①

Have a separate container in a convenient location to collect your food waste. Line container with a **clear, transparent, or compostable plastic bag**.

②

Once full, tie bag closed to keep odor in and to keep food waste separate from any yard waste.

③

Place food waste bag in your organics container.
